These tunes are popular among returning campers and are often played in the evening jam sessions. A new publication, **Walker Street Fiddlers Ireland Tour 2007**, also features popular session tunes; ½ Irish tunes and ½ American traditional tunes. **Travelin'**, mostly original tunes from **The Walker Family Band CD**, might interest more advanced fiddlers. These and other publications are available on our website shopping pages. These books, as well as other publications from our faculty members, will also be available at the workshop.
